**EPHESIANS 2:8-9****New Testament for Everyone**

8 How has this all come about? You have been saved by grace, through faith! This doesn't happen on your own initiative; it's God's gift. 9 It isn't on the basis of works, so no one is able to boast.

**KEY POINTS FOR STUDY & REFLECTION**

- **Grace is a Gift:** We are saved by grace, which is a free gift from God.
- **Through Faith:** Our salvation comes through faith in Jesus Christ.
- **Not by Works:** Salvation is not something we can earn; it is given by God.

**DISCUSSION QUESTIONS**

- What does it mean to you that grace is a gift from God?
- How does understanding that salvation is not earned by works impact your faith?
- How can you share the message of grace with others?
